

2020 Team Practice Schedule

This year, we offer 15 hours of instruction and we'll utilize Eagle Hills on Sunday evening's from approximately 5-6:30 PM beginning, June 7th and Pacific Springs on Monday mornings, June 8th from 8-9 AM, for practice. Your fee of \$150 includes practice and hat/uniforms. A special thanks to our sponsor for reducing your fee from \$200 with his donation to cover up to (20) registration fees...\$60 per to participate—which is required to compete.

Our primary focus at Eagle Hills will be on the range and utilizing their 3-hole practice course. At Pacific Springs, we'll spend the time on the short game---with a particular emphasis on putting.

Practices are NOT mandatory and are designed to offer each student a high level of instruction to include the fundamentals of the game: grip, stance, posture, alignment and ball position, on-course, PLUS a strong focus on the short game.

Our focus is on having fun playing golf and introducing your child to competitive golf!
