The screenshot shows the NJG Event Online Registration page. At the top left is the NJG Nebraska Junior Golf Tour logo, presented by Farmers Mutual of Nebraska. A 'Regular Event' button is located in the top right. The page title is 'NJG EVENT ONLINE REGISTRATION'. Below the title are two input fields: 'Email' and 'Password'. There is a 'Remember Me' checkbox and a 'Forgot your password?' link. A yellow arrow points to the 'Sign In' button. Below the 'Sign In' button is a link that says 'Don't have an account?' and a 'Click Here to Register' button.

IMPORTANT PLEASE READ: If you are a parent signing up multiple kids, please know that each player must have a unique email identified with their player profile. If you wish to use the same email for all of your kids, there is a way to make your email unique for each kid and all player information will go to the same email. You can add information to the email address to make it unique.

Here is an example:

The email address wanting to be used for multiple players: thesmiths@gmail.com

Junior 1 can use the "thesmiths@gmail.com" and will receive all information for Junior 1

Junior 2 could use "thesmiths+1@golfgenius.com" or "thesmiths+junior2@gmail.com" and will receive all information for Junior 2

Everything after the plus (+) sign, the system views as extra information, and they ignore it when sending the email. This way, both players can have the same email address, but remain unique in our system.

When you sign into each player profiles to sign up for events, you will use each players unique email address to do so.
