The registration form consists of an 'Email' input field, a 'Password' input field, a 'Remember Me' checkbox, and a 'Forgot your password?' link. Below the navigation bar, the page title "NJG EVENT ONLINE REGISTRATION" is centered. Underneath the title, there is a prompt: "Please enter your GHIN number and last name". This is followed by two input fields: "GHIN Number" and "Last Name". Below these fields is a prominent orange button labeled "Register".

IMPORTANT PLEASE READ: If you are a parent signing up multiple kids, please know that each player must have a unique email identified with their player profile. If you wish to use the same email for all of your kids, there is a way to make your email unique for each kid and all player information will go to the same email. You can add information to the email address to make it unique.

Here is an example:

The email address wanting to be used for multiple players: thesmiths@gmail.com

Junior 1 can use the "thesmiths@gmail.com" and will receive all information for Junior 1

Junior 2 could use "thesmiths+1@golfgenius.com" or "thesmiths+junior2@gmail.com" and will receive all information for Junior 2

Everything after the plus (+) sign, the system views as extra information, and they ignore it when sending the email. This way, both players can have the same email address, but remain unique in our system.

When you sign into each player profiles to sign up for events, you will use each players unique email address to do so.

STEP 5: Once you have signed into the player profile, choose the event you want to sign up for by selecting on the event name.
